Skills

(Theoretical) Physics
Research
Scientific writing
Analytical thinking
Teaching
Mathematical analysis
Model and visual thinking

Software

Microsoft Office

Latex

Matlab, Mathematica

Python

HTML, CSS, Javascript

Photoshop, Indesign

Languages

Dutch

English

Frisian

German

Experience

Education

Msc Theoretical physics

2015 - 2018: Rijksuniversiteit Groningen RUG

- Average grade: 7.8
- [On the Boltzmann Constant and the redefinition of the kelvin](#)
- Research: [Correlation functions in a 2D CFT dual to a Black Hole](#)

Bsc Physics

2012 - 2015: Rijksuniversiteit Groningen RUG

- Average grade: 7.2
- Research: [Overview of the theoretical status of cLFV](#)

P. Graphic design

2010 - 2012: Hanzehogeschool Groningen

- Switched to physics since I wanted to do something more challenging

Teaching

Secondary school physics teacher

2018 - 2019: Stedelijk Gymnasium Leeuwarden

University assistant

2017 - 2018: Rijksuniversiteit Groningen

- Mechanics & Relativity Tutorial assistant
- Waves & Optics Tut. and Practicum assistant

Taekwondo Trainer

2014 - today: Art of Defence

- Licensed Referee
- Grading
- Coaching
- Curriculum design
- Trainer

Online courses

Game theory

HTML, CSS, and javascript for developers

Using python to access web data

Python data structures

Theoretical Computational Science

Intro to relational Databases
Science of exercise

Intererests

Networks, Sports, Learning, Biologogy of the human body
Information Theory, Literature, Martial Arts,
Interdisciplinary thinking
